

★ CDANZ Website Update

The CDANZ website is up and running with a number of new features.

Forgotten your password?

Probably a most welcome sight will be the automatic 'forgotten password' facility. Type in your email address and your password will be sent to you immediately.

Events calendar

Now you can look up CDANZ events around the country. Go to the 'Events' tab, enter the month you want to view and find out what is happening around our Branches. If you have any events you would like listed, contact our Administrator Koa Saxby on info@cdanz.org.nz

The site is still easy to navigate around, with a log-in area for members with news, job advertisements, publications and official documents. You can also download pdf and word versions of membership renewal documents .

Coming up soon...

- We plan to extend the links area to include more New Zealand resources and products plus links to other international websites of interest
- A "Meet the Exec" page will be created so that you can see the faces behind all the hard work that goes on behind the scenes of CDANZ
- "Help with my career" will be a section for the general public focussing on what to expect from a career practitioner and suggestions for questions to ask
- The Supervisors page will be overhauled and we will be checking to make sure the information is current
